To Whom It May Concern:

Re: Dr. Jim Cecy

Dear Sirs,

I have known Dr. Cecy for the past thirty-five years, and hold him as a gifted, informative, and passionate teacher. As a result of his teaching, I have observed many lives being transformed, marriages healed, and businesses prosper.

As a longtime friend and fellow teacher, I highly recommend Dr. Cecy for the challenge of continuing to impact and help many people on their quest for higher knowledge and success.

Sincerely,

Rabbi Amnon Judah Shor, D.Min
