To Whom this may concern,

I am writing this letter as a recommendation as you consider having Dr. Jim Cecy provide consulting or speaking engagements in the future. Whether he speaks to a corporate leadership team, church leadership board, or large group of folks in a variety of gatherings, Jim is sure to meet the goals & objectives of your event.

We have used Dr. Cecy in several events in recent years and have always been pleased with the presentations and outcome responses by the groups he has spoken to. Specifically, he provided some wise Biblical based council to the Leadership board of Grace Community Church in Madera, Ca. He provided insights into vision casting for clear direction focus points. In addition, We have had Jim speak numerous times to a large gathering of Men at The Madera County Men of Integrity annual conferences. Some of the subject matters included: ethics in the work place, becoming a real man of integrity 24/7, being a faithful man to his wife, a good father investing time into his children's lives.

Recently, a dear friend of mine who owns Pinnacle Premix Company with offices in California & Texas called me & was looking for a speaker to address his entire California employee team. Jim was their speaker & again, the company objectives were completely addressed & a job well done was conveyed back to me by the owner!

I've personally known Dr. Jim Cecy for over 25 years. He is very consistent in content & delivery again for any corporate or church functions you might be planning.

If you have any questions, please feel free to contact me any time at the above #.

Sincerely,

Geoff Tipton
