To Whom It May Concern:

RE: Dr. James Cecy

I have known Dr. Cecy (Jim) for over 25 years as a member of Campus Bible Church. Over these years I have become well acquainted with Jim on both a personal and professional level. I have heard Jim preach and speak to both large and small groups. He is a motivator, trainer and leader.

As a small business owner, Deputy Attorney in the Fresno City Attorney's office and a licensed California attorney in private practice, I have personally benefited from Jim's counsel based on his extensive biblical knowledge, understanding and wisdom.

I highly recommend Jim for your group or business for any speaking, training relating to business principles based on the wisdom contained in the Bible!
