To Whom It May Concern,

I have known Dr. Cecy for many years and for the last number of years I have been attending church where he served as Senior Pastor for three decades.

I was a corporate executive over a period of thirty-five years, including being a divisional vice-president for a manufacturing company and the CEO of a national distribution company. I was also an entrepreneur and financial investor in a number of ventures. Upon leaving the business world, I became involved with non-profit ministries including being the CEO of the Fresno Mission. I have served on many corporation and non-profit boards over the years and currently serve on the board of directors of five organizations.

With that being said, I highly recommend Dr. Cecy as he embarks on doing corporate training. I have found him to be a person of high integrity, very knowledgeable of the Bible, and a gifted communicator. He speaks the truth in his presentations with care and compassion for his audience. I can be reached at (559) 917-3578 should you require additional comments.

Sincerely,

Don Eskes
