

Whom It May Concern,

I have had the privilege of knowing Dr. Jim Cecy for the past 18 years, and in that time, he has been a mentor, encourager, and genuine blessing to me and many pastors in our community. Jim is one of the most faithful and trustworthy servants of Christ I know.

Jim has spent over five decades in ministry and the last thirty years at Campus Bible Church of Fresno, where his expositional teaching, love for Scripture, and commitment to God's people have shaped countless lives. His teaching is rich, clear, and deeply rooted in the original languages of Scripture—Greek and Hebrew—which he handles with rare skill and pastoral sensitivity.

Beyond Jim's local ministry, Jim is the founder of JARON Ministries International, where he leads a global missions organization that impacts believers around the world. His teaching on moral purity—especially the *Purity War* seminar and his *Men in Action* leadership training seminar have impacted thousands of believers globally.

Whether he is teaching on purity, leadership, hermeneutics, or practical Christian living, Jim brings extraordinary scholarship, wisdom, and authenticity to his audience.

But what stands out the most about Jim is his shepherd's heart. He always takes time to ask how you're really doing. He listens. He encourages. He follows through. His integrity is unwavering, and his character is one of the reasons so many pastors, including myself, consider him a pastor to pastors.

I highly and enthusiastically recommend Jim for any speaking engagement—conferences, leadership retreats, purity events, pastoral training, or Bible teaching ministries. You will be blessed by both his message and his life.

In His Service,

Ben Dosti
