Attention: Leadership Development Manager

I am writing this letter to advocate for the utilization of services provided by Dr. James Cecy for leadership development within your organization. I have known Jim since 1995 and have been positively impacted through his teaching as well as witnessing lives changed through Jaron Ministries.

Jim has been an effective and transformational speaker for many years, particularly focused on leaders within the evangelical as well as business and political communities. When I served as Mayor of Madera, Ca., Jim was the featured speaker at our mayor's prayer breakfast. Many were touched and inspired that day. I have also been on a Mission trip to Kenya that was sponsored by Jaron Ministries. Besides ministering in a slum area adjacent to Nairobi, we also had a chance to meet and minister to Nairobi's Mayor at the time, Dick Wathika. Although Dr. Cecy has delivered hundreds of messages to churches, seminars, conference centers, and other events, I have firsthand knowledge of his effectiveness in communicating and motivating.

Thank you for your consideration of Dr. Cecy and his offer of services. Please do not hesitate to contact me at 559-903-3370 should you have any questions or would like to go into more detail regarding Jim and his impact on our communities.

Sincerely,

Best Regards,
