RE: Letter of Recommendation

To Whom It May Concern:

I first had the privilege of meeting Jim Cecy in 2019, while he was the Senior Pastor of Campus Bible Church. From the first day I met Jim it was apparent he possessed a certain level of wisdom and personality that most people only wish they had.

I was impressed by Jim's dedication to ministry, to nonstop learning, and to the application of biblical wisdom in ever facet of life. He is highly organized and has an uncanny knack for mentoring people, drawing out the very best in them. He has a thorough grasp of the Bible, particularly in his comprehension of Old Testament business and leadership principles.

One of the things I'll always cherish about Jim is his ability to take large quantities of information and then organize it in such a way to help his listeners see the main point. He has a sharp mind, takes chunks of Scripture and breaks them down into actionable items that are easy to understand and apply.

Being myself a co-vocational Senior Pastor and CEO of an insurance company, I have personally benefitted greatly from Jim's ability to take biblical principles and apply them to business, corporate relationships, and group trainings. His ministry to me has been both refreshing and very appreciated!

I highly recommend any church, Christian ministry, business, organization, or college to hire and retain Jim Cecy to teach and train your people. You will be quite satisfied with the result.

Sincerely,
