To Whom It May Concern:

We are pleased to write this letter of recommendation for Pastor Jim Cecy. We have had the pleasure of knowing him for many years. We know him to be a man of integrity and strong faith in God. His sound counsel over the years reflects his years of experience in leading a large church, with multiple campuses, and many people and programs to manage.

We have consulted with him on our succession plans for our kids. He uses Solomon's Fatherly Financial Principles, based on scripture. We found that very helpful. He is a kind and compassionate advisor.

We are familiar with his teaching, such as his Purity Conferences, with his preaching, his books, and his role as a guide in Israel. We have traveled with Pastor Jim and observed his teaching style firsthand, as he points out ancient landmarks and the history of various areas, always with humor. His knowledge is vast, and his teaching style is thorough.

If we were considering hiring someone to train our employees in Godly business practices, Pastor Jim is just who we would call.

Sincerely,
