To Whom it May Concern,

I am writing on behalf of Dr. Jim Cecy. I have known Jim for 45 years as my friend, colleague and ministry partner. He leads our organization called Jaron Ministries International that I have been involved with for thirty years..

I have watched as Jim has become a well-known speaker and in high demand even in Europe on many topics, but especially on the topic of leadership. I personally teach leadership at Shasta Bible College & Graduate School and have used Jim as a guest speaker in my classes. He is engaging with the students and creates synergy as he speaks, drawing people into the topic.

I highly recommend Jim Cecy as a teacher and speaker and encourage you to consider him for consulting, educational involvement and a ministry of substantive encouragement.

God bless,

Dr. Dan Iles
Dean of Graduate Studies
